

7th Annual “FEED THE NEED” COMMUNITY PROJECT November 3-10

COMMUNITY PROJECT – “FEED THE NEED”

The New Haven Mayor’s Office and New Haven Food Bank have partnered together again this year with area New Haven schools to “Feed the Need” in the New Haven community. This food drive is offering a friendly competition between all schools in New Haven for donations to the New Haven Food Bank.

COLLECTION DATES

Collection dates will begin on Friday, November 3rd and run through Friday, November 10th.

All collections will benefit the New Haven Food Bank allowing any donations to go right back to the community and serve families who need assistance in New Haven, especially for the upcoming holidays.

PICK UP

On Monday, November 13th, we would like members of either your Student Council, Key Club, or other volunteer groups in your school to help load the truck. After picking up items from all schools, the Food Bank will unload the truck that evening to organize and fill the food pantry facility.
